## OBJECTIVE

My goal is to be as successful as I can possibly be, and I am dedicated to making that into a reality.

## EDUCATION

**Academic Honors Diploma | Broad ripple Magnet High School/ Shortridge High School**

CLASS OF 2019

GPA of 3.6, High Honor roll, Member of NHS (National Honor Society), in the art magnet.

**Computer Science Bachelor's Degree | University of Indianapolis**

CLASS OF 2023

## EXPERIENCE

**Job Title | Caterer**

LGC

**Start April 2017- December 2017**

The job positions I have worked with this company are; server, cashier, busser, runner, & manager. From my work experience, what I had to do exactly was treat every client with the very best attitude we can give, and with a smile of course.

**Job Title | Child Caretaker**

YMCA

**February 2018- May 2018**

As working with children at Chapelwood Elementary School, my duties were having the responsibilities of taking care of children with great abetment! I left this job to look for a better job.

**Job Title | Sales Consultant**

Best Buy

**June 2018 - November 2019**

Giving solutions to customer's problems, mainly based on technology. I must keep up with technology and treat customers with the best version of me. Many of my duties were keeping up a professional look, being well informed about my products, as well as treating everyone with a professional yet, kind approach. I left because the building was shutting down.

## ACTIVITIES

The things I enjoy doing on my free time are exercising, reading and, learning something new every day. I tend to be busy throughout my days, waking up early and sleeping late. I have participated in numerous clubs in high school, some including soccer (starter), band, Tufts (future government simulation), art, robotics (captain), and others. I love working but try to keep a balance by having fun with good friends, some would consider me as a workaholic. I can be a logical person, but I have a lot more understanding when it comes to people.
